Route Variations

Sometimes there are slight route variations. Variations are parts of the route that travel different streets. It's important to know which variation of the route you need. Variations are displayed on the route schedule as letters (eg. 5A or 5B). You can also spot these letters on the front or side of the bus.

Timepoints

Timepoints are major bus stops along each route. The bus will not leave a Timepoint until its scheduled departure time. If your bus stop isn't listed in the printed schedule, it is not a Timepoint. Estimate your bus stop departure time by where it is located between two Timepoints.

How To Ride

The below tips and guidelines help make your bus ride safe, easy and enjoyable. More helpful tips are available at TheRide.org.

At the Bus Stop

- Allow yourself enough time, and catch an earlier bus if needed. Arrive at the bus stop 5–10 minutes early.
- Wait at the bus shelter or bus stop sign. If there is ice or snow at the bus stop, wait at the nearest and safest area that has been cleared.
- Locate the bus stop number on the route sign at your bus stop, and text **AAATA**, a space, and then the **stop number to 41411** to receive estimated arrival times for bus routes serving your stop.
- When waiting at a bus stop that is served by more than one route, signal that you want that route by raising your hand without waving.
- If you do not want a particular bus, step back and wave the bus on so that the driver can proceed without stopping.

Boarding & Paying Your Fare

- Before boarding, check the route number and destination displayed on the outside of the bus. On some streets, more than one route may be running, so be sure to check the bus, or ask the driver.
- Have your fare, pass, or identification card ready when you board. Show your reduced fare card **BEFORE** paying your fare.
- Board at the front door.
- TheRide buses are low-floor, accessible vehicles, meaning that there are no steps to climb and the bus has a ramp. TheRide buses can “kneel” down to lower your step. If you need to use any of these aids, ask the driver for assistance.

- If a transfer is needed, ask the driver for a transfer when boarding. Please see the transfer policy section in this RideGuide.

Riding the Bus

- Find a seat, sit back and relax. If you are standing, please move toward the back so other riders can easily board.
- Leave priority seating near the front of the bus for seniors and persons with disabilities.
- Use the designated seating area if you are traveling with a child in a stroller. See the next page for more information.
- Please show respect to other passengers and follow our Rules and Policies, located in this RideGuide, for more information.
- Listen for announcements on major stops and timepoints along the route. Announcements will also be displayed on the LED sign at the front of the bus.

Exiting the Bus

- Use the pull cord or push button to signal that you want to stop at the next bus stop.
- Wait until the bus comes to a complete stop.
- Exit from the rear door.

Rules & Policies

Code of Conduct for TheRide's Buses and Facilities

- No weapons of any kind.
- No Smoking.
- No loitering, panhandling, or solicitation.
- No skateboarding or bike riding.
- Refrain from disruptive behavior or using profanity.
- Possession of open alcoholic beverages or illegal substances is prohibited. We report all drug activity to the police immediately.
- Appropriate clothing, shirts and shoes must be worn.
- Keep the volume low when listening to your music with headphones.

Rider Courtesy

- No smoking, eating or drinking while riding the bus or waiting in bus shelters.
- Use your earphones when listening to your electronic device.
- Use your inside voice during your conversations.
- Personal items can be kept on your lap or at your feet. Remember to take your personal items with you when you exit the bus. AAATA is not responsible for any lost items. See the *Lost & Found* section in this RideGuide.
- Service animals and pets are welcome to ride on the bus for free. Pets must travel in a well-secured cage or travel container. Please keep service animals controlled at all times.

Designated Seating

- Use the designated area if you are traveling with a child in a stroller. If the designated area is being used, fold the stroller and keep it clear of the aisle. Wheelchair securement locations may not be used for strollers.
- Priority seating for seniors and persons with disabilities is located near the front of the bus. The driver will ask other riders to vacate these designated seats, if necessary.

Other

- Personal Care Attendants (PCAs) must board and exit the bus with the eligible A-Ride card holder in order to ride free. Abuse of this can result in the loss of PCA eligibility.
- Possession of any hazardous material or items is not allowed on the bus (e.g. gas containers, car batteries, etc).

Bicycles

- TheRide's buses can accommodate up to two bicycles. When loading your bike, use the available rack position closest to the bus. Remove all loose items not attached to your bike and take them with you onto the bus. Bicycles that cannot be accepted on the bus include: recumbent, motorized or tandem bikes, bikes that are high enough to obstruct the view of the bus operator, or tires that will not fit into the rack. If the rack is full, you will have to wait for the next bus with available space.

Invalid Cards and Passes

- Expired A-Ride or Fare Deal cards may not be used to receive a reduced fare.
- If an employee of TheRide suspects a bus pass or ID card is invalid, they can request to inspect it. Should it be found to be improperly used, the customer will be required to pay the full cash fare.
