

A2Express Commuter Pass Order Form

Welcome to A2Express!
Now, commuters who live outside of Ann Arbor have a transit option into Downtown.

The getDowntown program and the Ann Arbor Downtown Development Authority are partnering with A2Express - a fast, comfortable commuter transit service offered by the Ann Arbor Transportation Authority.

Thanks to this partnership, any commuter who qualifies for a go!pass can purchase a specially priced A2Express Commuter Pass or Ten-Ride Ticket at a savings of 50 percent off the regular fare.

Two routes are available:

Chelsea express

Service from Arctic Coliseum, near I-94 & M-52 in Chelsea.

Canton express

Service from Independence Park and Cherry Hill Village in Canton Township.

Both routes operate Monday to Friday, with two morning trips in and two afternoon trips out.

Buy Commuter Passes now and start using them whenever you like. Passes are not month-specific -- a pass goes into effect when you first use it on the bus, and remains valid for 30 days from the first use.
