## About

Commuting takes a real toll on your employees' cars, on their health and on the environment. Busing, carpooling, vanpooling or biking can alleviate the cost and stress of commuting alone.

With help from TheRide's Business Services, employers can provide commuter benefits at no cost. TheRide will help you identify your needs, design a custom program, and help you roll it out to your employees.

# Your guide to happy, healthy employees

Ask us about  
commuting  
materials for your  
employees!

## We offer:

- Free commuting audits to help you find the best and most cost-effective commuting options for your employees.
- Free commuting presentations for your employees.
- Products and services to make it easy for your employees to walk, bike, bus, carpool or vanpool to work.

# VanRide

Commute together and save

VanRide provides:

- A great option for employees who live far away from work
- A comfortable late-model van for employees to commute to work
- A low monthly fee
- Emergency Ride Home as a benefit of participating

Details at [MyVanRide.org](http://MyVanRide.org)

as low as  
**\$79 per  
rider**
