

**POLICY 2.9.** In order to facilitate the continued success of AAATA and its achievement of Ends, the CEO shall not operate without creating collaborative, strategic relationships with external stakeholders.\*<sup>1</sup>

**Degree of Compliance: Compliant**

**Interpretation**

This policy is fully interpreted in the sub-policies below.

**Evidence**

Evidence of compliance with sub policies below provides evidence of compliance with this policy.

**POLICY 2.9.1** The CEO shall not... Ignore opportunities for collaboration for the community benefit.\*

**Degree of Compliance: Compliant**

**Interpretation**

Compliance with this policy will be demonstrated when written, external requests for the AAATA's resources or support are given due consideration as to whether they advance the Ends and comply with Executive Limitations and Administrative policies, whether the potential benefits are worth the investment and risk, and whether better options exist.

This is reasonable because this policy pertains to external relations and implies the AAATA's reaction to outside proposals. The AAATA's own approach to pro-active collaboration is covered under the Ends policies and other Executive Limitations policies. Verbal proposals are too numerous to track and sometimes politically oriented. Due diligence is reasonable as some proposed collaborations may be wasteful or damaging to the pursuit of the Ends.

**Evidence**

During the monitoring period no written requests were received.
