## LOOKING AHEAD

TheRide received nearly \$8 million in Federal Funds to support the development of the new Ypsilanti Transit Center, including \$7.2 million awarded through the Federal Transit Administration's competitive Bus and Bus Facility grants program and an additional \$750,000 in Congressionally Directed Spending (CDS) from Sen. Gary Peters and Sen. Elissa Slotkin for enhanced security improvements.

Construction is slated to begin in 2027.
